Dear Sirs:

Re: Fenzl No. 1, Duchesne County, Utah

Enclosed please find application for permit to drill in triplicate together with three survey certificates (plats) attached thereto for the Fenzl No. 1 test well in Section as described therein. We are also sending a copy of the Application with plat attached to United States Geological Survey office in Salt Lake City, Utah.

We would appreciate your approving this permit to drill as soon as possible so that we could get a rig committed to commence drilling. We have filed with you our blanket drilling bond for \$25,000.00. We can submit our drilling program within a few days after the engineers return to the office. Your prompt action on this request will be appreciated.

Very truly yours,

AMERICAN MINERALS MANAGEMENT, INC.

Re: Well No. Fenzl Fee #1  
Sec. 20, T. 3 S, R. 5 W,  
Duchesne County, Utah

Gentlemen:

Insofar as this office is concerned, approval to drill the above mentioned well is hereby granted. However, this approval is conditional upon an amended application which gives the detailed engineered drilling program.

Should you determine that it will be necessary to plug and abandon this well, you are hereby requested to immediately notify the following:

PAUL W. BURCHELL - Chief Petroleum Engineer  
HOME: 277-2890  
OFFICE: 328-5771

This approval terminates within 90 days if the well has not been spudded-in within said period.

Enclosed please find Form OGC-8-X, which is to be completed whether or not water sands (aquifers) are encountered while drilling. Your co-operation with respect to completing this form will be greatly appreciated.
